

Charity Fundraising @ Chantry Centre

Chantry Centre *for all our community*

The Chantry Centre is a vibrant community hub in the centre of Dursley. We're home to a number of local community groups and we host a range of large-scale events. Previously the social club for the RA Lister engineering works, in 2011 ownership and operation transferred to a charity set up by the community. As a charity ourselves, we want to support other local charities.

The Chantry Centre is an ideal location for your charity's fundraiser. We have number of rooms suited to a variety of activities, including the main Lister Hall, two fully licenced bars, a skittle alley and the garden room which overlooks our much loved "secret garden".

One of the key benefits the Chantry Centre can offer hirers is its scale. Whilst we have spaces suitable for smaller events, we are also able to host up to 300 attendees. From our experience, larger events can provide the most efficient way for a charity to fundraise.

Some examples of the sorts of events we are able to host are shown, but the Chantry Centre's flexible layout means that we are able to adapt to best meet your specific needs. If you are interested, why not arrange a visit to see what we have to offer and discuss how we can work together.

Events @ Chantry Centre

a range of possibilities

Examples of the types of events we can host include:

Live bands, discos, barn dances etc

The Chantry Centre was built for such events- the sprung wooden floor in the Lister Hall really comes into its own when 200 guests start dancing!

Live theatre, films, fashion shows

With the raised seating in place the Lister Hall has capacity for 300 people seated.

The Lister Hall has a 4m wide screen and ceilingmounted projector, enabling it to be configured as a cinema.

Markets and fairs

The Lister Hall is an ideal location for indoor markets and fairs with capacity for around 20 stalls. The neighbouring rooms provide scope to “spill out” if needed.

Events @ Chantry Centre

a range of possibilities

Skittles

The Chantry Centre has a double skittle alley making it an ideal location for a smaller skittles fundraisers for up to 32 players.

Family Fun Days

The Chantry Centre's secret garden is an ideal location for summer BBQs with the Lister Hall providing a fall-back if the British weather misbehaves!

We also have bouncy castles and soft play equipment for youngsters – although note these are for indoor use only.

Quiz Evenings

Quiz evenings are a popular way for charities to fundraise. With microphones and the big screen available, quizmasters can set their questions in a range of media to make the quiz more interesting.

Price List *an affordable venue*

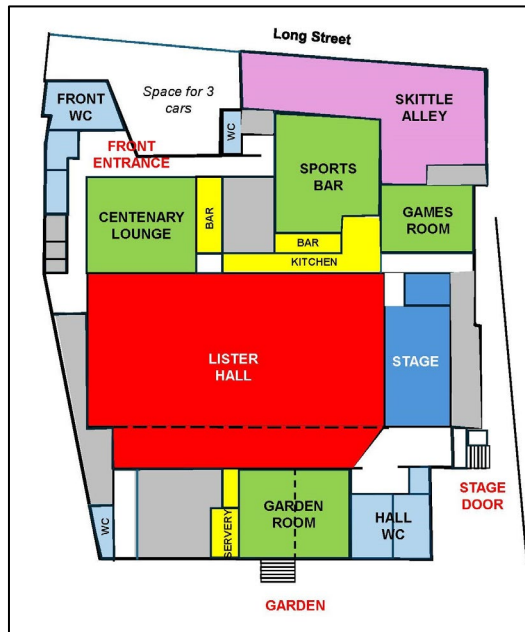

As a charity ourselves, we are keen to support other local charities by providing an affordable venue for fundraising events.

Our aim is to provide charities with access to the Chantry Centre and its facilities at cost rather than at our standard commercial rates. These are worked out on a case-by-case basis.

If your event uses licenced premises, we will operate the bar at commercial rates and any profits raised by are used to support the Chantry Centre.

If you are interested, why not arrange a visit to see what we have to offer and discuss how we can work together
